

SCOUTS

**ADVENTURE, FUN AND CHALLENGES
FOR BOYS AND GIRLS 6-14 YEARS**

The 1st Foots Cray Scout Group was formed over 100 years ago, and is based in Rectory Lane, Sidcup. Our grounds back onto the Foots Cray Meadows, where many of our activities take place. We have our own meeting hall that has recently been fully refurbished.

ADVENTURE

Watch your child's confidence grow, as they participate in challenging adventures, discover new talents, develop positive meaningful friendships and help out in the local community. We currently have spaces in all sections for new members.

Take advantage of our free trial membership period, during which your child is welcome to come along to try out our meetings and activities for themselves.

Feel free to try out Scouting yourself. We are always looking for new parents to help out. Join in the fun, challenge yourself and let us help you to discover hidden talents!

Visit our website for further details or you can contact us if you have any questions.

We meet every Tuesday between 6-7pm

You can start from 3 months before your 6th Birthday. Beaver Scouts enjoy making new friends, playing games, going on visits and helping people. We have lots of different badges that you can earn. Beavers go on sleepovers and have fun doing new activities.

We meet every Thursday between 6-7.30pm

There are loads of fun things you can do as a Cub Scout, such as tackling assault courses, archery, building fires and camping overnight.

We arrange days out to castles and adventure parks and you can go away on weekend camps packed full of activities.

We meet every Friday between 7.30-9.30pm

The oldest section in the Group. You can join directly if you are at least 10 years old.

Scouts get an opportunity to do many activities like sailing, canoeing, first aid, camping and cooking on wood fires. Plan your own activities (with a little help from the leaders), face new fun challenges and everyday adventures, as well as weekly camping trips during the school holidays.

Take a look at the picture galleries on our website to see just what you too could be enjoying when you join us.
